

NEW! FLEXIBLE GOWN PACKAGING OPTIONS

Two Packaging Options, Same Trusted Quality

At Nixon Medical, we support outpatient healthcare facilities with reliable, high-quality service that enhances efficiency, hygiene, and cost control. Now, we're offering two gown packaging options—so you can choose what best fits your facility's needs.

Bulk-Packed Gowns

Cost-Effective & Eco-Friendly

- A budget-friendly option with discounted pricing.
- Reduces plastic waste for a more sustainable solution.
- Same high-quality gowns with efficient bulk access.

Individually Packed Gowns

*Premium Packaging for
Maximum Hygiene*

- Each gown is individually sealed for enhanced contamination control.
- Hand-folded and packaged for a polished, high-end presentation.
- Ideal for facilities prioritizing single-use solutions.
