

Proudly Serving New England with

Medical Apparel and Linens

Earning your trust since 1967:

Nixon Medical, a family-owned industry leader, specializes in medical apparel and linens for outpatient centers. Today, we're trusted by 10,000+ medical centers nationwide due to our unmatched customer service.

Why we're the customer's choice:

With gratitude, we've earned the title "Customer's Choice" through a 2023 Net Promoter Score® study. Potential customers rated their experiences with Nixon Medical and other medical apparel and linens vendors. For the seventh consecutive year, we achieved the highest satisfaction score—an honor we dedicate to our most valuable stakeholders: our customers.

The Nixon Medical Service Difference™:

- | | |
|--------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
